

## Tuition and Fee Agreement Kindergarten through Grade 8

### 2025 - 2026 School Year

This Tuition and Fee Agreement shall become effective on the date signed by Parent(s) or legal guardian(s) (the "Effective Date").

I/we, the parents/legal guardian of the students listed below, agree to pay All Saints of St. John Vianney School the tuition, registration, and other fees for attendance of my child(ren) as established for the 2025-2026 school year. Specifically, I/we agree to pay:

- Registration Fee:** \$250 per student
- Tuition:** \$6,800 per student
- Fees:** As determined throughout the school year for various activities/programs

#### 1. Students to be enrolled at All Saints School for the 2025-2026 school year:

<u>Name of Student</u>	<u>Birthdate</u>	<u>Grade in September 2025</u>
_____	_____	_____
_____	_____	_____

_____	_____	_____

#### 2. Registration

Registration is not completed until you (a) have returned this completed and signed Tuition and Fee Agreement, (b) paid the registration fee, (c) selected a payment option in FACTS, (d) listed a valid payment source, and (e) registered in Gradelink.

#### 3. Financial Aid and Scholarships

Financial Aid and Scholarships come in many forms. Examples include donations specified as being dedicated to tuition assistance, Angel Scholarships (from tax credits), and the Fund a Dream Scholarship. Applications for financial assistance and scholarships from any source are to be made in accord with the rules set by the organization providing the financial assistance and/or scholarship. I agree to cooperate with the school and to ensure that the funds from all scholarships and financial aid that I receive from outside sources to cover tuition and/or fees are transferred to the school, and that I will be responsible for these amounts if such funds are not transferred to the school for any reason.

#### 4. FACTS (online tuition payment system):

**You agree to the terms and conditions regarding payment that are set out in detail in the Family Handbook, as it may be amended from time to time.** The Family Handbook is posted on the school website. The following terms, which appear in the Family Handbook, are highlighted here; full details are in the Family Handbook:

- a. All tuition payments are to be made in FACTS. If your family is new to school, a FACTS invitation is sent via email to set up a FACTS account. Families enroll in the system and are responsible for any FACTS enrollment fee.
- b. The minimum amount expected is a monthly payment equal to the total tuition due divided by ten (10). Payments begin in August and must be completed no later than June 20 of the following year. Families are responsible for all bank, credit card, and other transaction fees. Registration fees are non-refundable unless the School declines to accept the student prior to the first day of the school year.

c. All tuition payments owed under this Agreement will be paid by the due date corresponding to the payment method selected on FACTS. You understand and agree that, regardless of what payment option is selected, you are personally responsible for all payments and for ensuring that the tuition and fees are paid in full and on time. Should you be late in making any tuition payment, you will be notified of the delinquency. Failure to correct the delinquency within five (5) business days of notification will result in a \$50 late charge. There is a \$50 charge for each delinquent payment.

d. You are required to keep a valid form of payment on FACTS at all times. For example, if a credit card expires or you move a bank account, you are required to update the information within five (5) business days of the notification. Failure to keep a valid form of payment and any resulting failure of payment of tuition will result in a \$50 charge per transaction (in other words, \$50 each time the transaction is attempted but it fails due to lack of a current form of payment), which may be in addition to any FACTS fees or bank fees – all of which are the responsibility of the parent.

e. Any family with an unpaid Tuition and/or Fees balance for the current school year will not be allowed to attend the following school year even if the family is current at the time of registration. The School, in its sole discretion, may withhold, to the extent allowed by law, records, diplomas, or transcripts.

**5. Other Fees:** Throughout the year, the School both as an entity and through the Parent Advisory Committee (PAC), does a significant amount of fundraising to support the School, its activities, and its clubs. Special fees may apply for a specific activity, such as a field trip or a club activity.

***I/we understand and agree that the School will not reserve a place for my child(ren) for the 2025-2026 school year until I/we (a) have returned a completed and signed Tuition and Fee Agreement, (b) paid the registration fee, (c) selected a payment option in FACTS, (d) listed a valid payment source to be kept current throughout the school year, and (e) registered in Gradelink.***

***I/we further understand that my child's/children's eligibility for enrollment is conditioned up (a) her/his successful completion of the current school year; (b) full payment of all Tuition and Fees owed for the current and/or prior school year; and (c) acceptance by the School. I/we understand that the School reserves the right to deny admission or enrollment for any lawful reason.***

***By signing below, I/we agree that I/we have read and understand all the terms and conditions contained in this agreement and in the Family Handbook, and I/we agree to be personally bound by those terms and conditions as they may be amended from time to time.***
