THE DIOCESE OF CLEVELAND PHILOSOPHY OF CATHOLIC EDUCATION

We believe that a philosophy of Catholic Education begins with faith that God gifted us with life, became one of us in His Son, Jesus, and in the person of His Spirit awaits our response to His unconditional overture of love. Jesus remains with all people, ever yearning for a return of love either by a sincere response to conscience or by membership in His Church. It is from this perspective that the educational ministry of the Catholic Community flows.

We believe that education that is Catholic begins in the heart of the family. Parents, the primary educators, seed and nourish values deeply human, deeply spiritual. Affirmed, treasured, and supported by the loving witness of Christian faith communities, the child continues a lifelong response to God's love in growing and excelling through responsible involvement in the academic, cultural and civic concerns of daily life.

We believe that the Catholic school is sensitive to the mandate of Jesus: "Love one another as I have loved you" as the goal toward which all Catholic education tends. The school community, in sharing this vision within an atmosphere designed to celebrate and practice love of God and neighbor, is the most effective means available to the Church for the education of youth. This vision motivates students to grow academically, culturally and socially. Among the values prized in the Catholic school are self-worth, self-discipline in the search for a moral way of life, and appreciation for our American heritage. With deep concern for their brothers and sisters, young people in Catholic schools form their personal response in truth, justice and love to God their Maker.

ALL SAINTS SCHOOL OF ST. JOHN VIANNEY PHILOSOPHY OF EDUCATION

All Saints School of St. John Vianney is an elementary school in Wickliffe, Ohio, established to provide its student body with both an educational and religious foundation. Those who make up the institution – clergy, faculty, parents, and students - consider themselves a faith community and together focus on Christian truths and ways to incorporate them into life. As part of its educational program, All Saints School of St. John Vianney will strive for academic excellence, encourage appreciation of the fine arts, attempt to foster self-respect and respect for all life, and instill and develop an attitude of responsibility for the total community. Central to All Saints School of St. John Vianney is parental involvement in promoting the total education program.

ALL SAINTS SCHOOL OF ST. JOHN VIANNEY MOTTO:

LIVING, LOVING, LEARNING IN CHRIST

ALL SAINTS SCHOOL OF ST. JOHN VIANNEY MISSION STATEMENT

All Saints of St. John Vianney School is a Catholic community established to provide a strong educational, religious, and ethical foundation while recognizing the value and dignity of each individual.

The school, families, and parishes work together to promote spiritual growth, responsibility, lifelong learning, and respect for all with Jesus Christ as our model.

ALL SAINTS SCHOOL OF ST. JOHN VIANNEY BELIEF STATEMENT

The faculty and staff of All Saints School work in partnership with our parishes and the parents of our students to prepare our children to be followers of Christ and productive members of society.

We believe that:

- each student is a valued individual with unique, physical, social emotional, and intellectual needs;
- a student's self-esteem is enhanced by positive relationships and mutual respect among and between students and staff;
- students are learning to make appropriate decisions given a supportive and challenging learning environment;
- teachers, administrators, parents and the community share the responsibility for advancing the school's mission;
- all students can learn;
- student learning is the chief priority for our school;
- students' academic, social, and emotional needs should be the primary focus of all decisions impacting the work of the school;
- students need to not only demonstrate their understanding of essential knowledge and skills in meaningful contexts, but also need to be actively involved in solving problems and producing quality work;
- students learn when they are actively engaged in the learning process and should be provided with a variety of instructional approaches to support their learning;
- curricula and instructional practices should incorporate a variety of learning activities to accommodate differences in learning styles; the commitment to continuous improvement is imperative if our school is going to enable students to become confident, self-directed, lifelong learners.

ACCREDITATION

All Saints School is a Catholic school in the Diocese of Cleveland, and is fully accredited by the Ohio Department of Education, through the Ohio Catholic Accrediting Association (OCSAA).

Our current Continuous Improvement Plan, flowing from our Mission, from our Beliefs Statements, and driven by data, is guided by two main goals, one for Catholic Identity, and one for Student Academic Performance.

Catholic Identity Goal: Students will increase their understanding of the corporal works of mercy through engagement in and reflection of service-based learning.

Academic Performance Goal: Students will engage in close reading to develop the skills of inferencing, drawing conclusions, making predictions and applying media literacy.

Each teacher is certified and has a Bachelor of Arts or Science and/or a Master's Degree. All Saints School is governed by the State of Ohio and approved by the Office of Catechetical Formation and Education regarding:

1. the length of the school year
2. administrative procedures for the school year as they relate to the opening, closing and emergency closing of schools
3. admission, assignment and withdrawal of pupils
4. vaccination and immunization of pupils
5. health and safety laws and policies

PARENTS AS PARTNERS

We believe the primary responsibility for the education of the children belongs to the parents. A positive parent-teacher relationship contributes to your child's school success. As partners in the educational process at All Saints School, we ask parents:

- ~ To set rules, times, and limits so that your child:
 - Gets to bed early on school nights;
 - Arrives at school on time and is picked up on time at the end of the day;
 - Is dressed according to the school uniform policy;
 - Completes assignments on time;
 - Has materials needed for school every day (supplies, lunch, homework, etc.).
- ~ To read school notes and newsletters and to show interest in the student's total education;
- ~ Build positive relationships with teachers by contacting them *first* when a question or problem arises.
- ~ To treat teachers with respect and courtesy in discussing student problems;
- ~ To actively participate in school activities such as Parent-Teacher Conferences;
- ~ Volunteer some portion of time in service to the school and/or parish.
- ~ To notify the school office of any changes of address, email or important phone numbers;
- ~ To meet all financial obligations to the school;
- ~ To inform the school of any special situation regarding the student's well-being, safety, and health;
- ~ To complete and return to school any requested information promptly;
- ~ To support the religious and educational goals of the school;
- ~ To support and cooperate with the discipline policy of the school;
- ~ Follow the policies and requests stated in the Family Handbook.

SPIRITUAL COMMITMENT

- ~ It is imperative that the students realize the commitment of the entire family to a total Christian education. This education begins and must be maintained in the home. A student will not grow and thrive in Christ-like behavior that is stressed at school if it is not fostered in a Christian home community.
- ~ Weekly attendance at Mass (or worship service of family's faith) and frequent reception of the sacraments is imperative to foster this Christian atmosphere in the home.
- ~ Build religious celebrations and prayer into the family lifestyle by attendance and participation in parish celebrations, sacramental programs and activities.

This handbook describes all philosophies, policies, procedures and regulations at All Saints of St. John Vianney. The principal and pastor have the final right to determine decisions concerning any issues in this handbook. The *Agreement Form* must be signed by parents each school year confirming acceptance and agreement.

ADMISSION/ REGISTRATION

A. POLICY OF THE CLEVELAND DIOCESE - Non-Discrimination Statement

In conformity with the policy of the Diocese of Cleveland, All Saints School of St. John Vianney admits students of any race, color, national and ethnic origin to all rights, privileges, programs and activities generally accorded or made available to students at schools in the Diocese of Cleveland. We will not discriminate on the basis of race, color, national and ethnic origin in the administration of our educational and athletic or other school administered programs.

The acceptance regulations recommended in the Diocesan Handbook for the Elementary School as well as the Handbook for All Saints School of St. John Vianney will be required of all parents of students in this school.

B. ENROLLMENT POLICIES

1. Students must be registered members of St. John Vianney, St. Noel, St. Justin Martyr, St. Mary Magdalene, St. Bede, and/or Divine Word Parishes. Non-parishioners or students of another faith will be accepted as space permits.
2. Siblings of current students are accepted for preschool and kindergarten before all others.
3. **Pre-4** students must be 4 years old by September 30th and fully toilet trained. **Pre-5** students must be 5 years old by December 30th (or be eligible for kindergarten the following year AND have attended a preschool program and come with a recommendation from the previous preschool teacher stating that the child is ready and would benefit from a full week program).
4. Students entering kindergarten must be five years old by September 30th of the year they are entering kindergarten. **Early entrance into kindergarten is not advised.** Research indicates that children who are too young for the grade, no matter how intelligent, develop social and emotional problems, even though they may achieve scholastically. Early entrance testing may be requested from the local public school agency, but the results do not guarantee early entrance into All Saints School.
5. Kindergarten children attending our school will have priority acceptance for the first grade before all others. To attend first grade a child must have attended kindergarten.
6. **Prior to admission into grades 1-8 all students must be interviewed by a member of the Admissions Team.** Records from previous schools must be provided to All Saints prior to acceptance. Students will also be given an assessment and schedule a day for the student to shadow. Admission for grades 6, 7, & 8 is normally permitted as outlined below. The following factors will be reviewed when applications are considered:
 - ~ Parishioners of St. John Vianney, St. Noel, St. Justin Martyr, St. Mary Magdalene, Our Lady of Mt. Carmel, and Immaculate Conception will receive priority for acceptance.
 - ~ Diocese of Cleveland parishioners transferring from a Catholic school will be given priority over transfers from a public school.
 - ~ Public school transfers that attend parish religious education programs will receive priority.
7. **PROBATIONARY PERIOD (ALL STUDENTS Pre4 – 8TH):** If a student is admitted to All Saints School, a probationary period of nine weeks exists during which time a decision is made whether the school can continue to meet the academic and behavioral needs of the child. Parents are informed by the principal of the need to enroll the child elsewhere if the school is not able to meet the needs of the student or the child is unable or unwilling to acclimate to the culture of All Saints School. This decision may be based on academics, attendance/ tardiness, and / or disciplinary infractions.
8. In the event a grade is filled, a waiting list for that grade will be compiled.

APPLICATION PROCESS AND CHECKLIST

Step 1: Meeting with a Member of the Admissions Team

- To begin the enrollment process, potential students and their families will schedule a tour and meet with a member of the Admissions Team. The Admissions Team will review potential students based on All Saints admissions criteria, specifically seeking students who conduct themselves in a manner that aligns with the All Saints behavior expectations; and whose parents/guardians are invested in the education process. If the team deems that the applicant meets the above criteria, the applicant will be contacted to complete: Kindergarten Readiness screening (Grades K)
- Leveled Entrance Assessment (Grades 1-8)
- Shadow Day Visit (Grades 1-8)

Step 2: Initial Documentation

To begin the application process, the following forms/documents must be submitted on behalf of each applicant.

- Copy of Special Services Form (IEP, Speech, 504, WEP, etc.), if applicable
- Copy of last report card (Grades 1-8)
- Copy of all Standardized Test Scores; MAP, IOWA, CogAT, OAA. (Grades 1-8)
- Two recommendation letters from current teachers and/or principal (Grades 5-8)

Step 2: Enrollment Decision

After the student has completed the previous steps, the application will be evaluated and an enrollment decision will be made. It is possible that a student may be put on a waitlist for classes that are at or near capacity (Parish families have first priority in cases where class space is limited). In any event, families can expect to hear back from All Saints within 2 weeks of completing the review process.

Step 4: Enrollment

Once a student is accepted, the following items are required in order to enroll in All Saints School.

- Registration fee per student (non-refundable)
- Completed Registration Forms/Tuition Contract
- Enrollment into Gradelink (communication and grading system)
- Enrollment to FACTS (tuition and scholarship database)
- Release of records form (Grades 1-8)
- Copy of Birth Certificate
- Copy of Baptismal Certificate

C. REGISTRATION FEE AND REQUIRED INFORMATION

1. A non-refundable registration fee must be paid at the time of registration.
2. A copy of the birth and the baptismal certificate is to be presented at the time of registration. Children must be properly immunized before acceptance into school; therefore, a copy of the

immunization record is also necessary. Report cards, Standardized Test Results and record of IEP and ETR (Evaluation Team Report) are also required if applicable.

3. Registration does not automatically mean acceptance.
4. Admission is finalized upon completion of all requirements and enrollment policies as stated above.

D. RE-REGISTRATION

1. Students of All Saints will receive re-registration materials in January of each year.
2. All Saints School reserves the right to re-enroll only those students who have exhibited the necessary cooperation and attitude required for the school to fulfill its educational mission.
3. Re-registration is not complete until arrangements for past due tuition are made with the Business Manager.

E. TRANSFER TO A NEW SCHOOL

When students are transferred to a new school for any reason either during the school year or at the end of the year, the following steps must be taken.

1. Send a letter to the school office stating the name and address of the new school, as well as the last date on which the student will be attending All Saints School.
2. The parent must sign a release of information form before the scholastic and health records can be sent to the new school.
3. The report card and the student's personal possessions may be taken home on the last day of attendance.
4. In the event that the student transfers before the end of the school year, tuition will be adjusted. Health records will be forwarded to the new school.

TUITION

A. Grades Preschool-8: The cost of education per student at All Saints School of St. John Vianney is to be borne by the parents (some tuition assistance may be available through scholarships and/or your parish). The All Saints School of St. John Vianney Finance Committee and/or pastor of the respective parishes will determine the yearly tuition..

B. Tuition payments are paid directly to the school via a tuition accounting software called FACTS. FACTS is the only method in which tuition payments can be accepted. Tuition may be paid in advance, monthly, and quarterly or a plan agreed upon in FACTS. Report cards and permanent records may be withheld if the tuition is not paid and/or up-to-date.

FINANCIAL AID

Financial Assistance for children in grades K – 8 is available through scholarships from the parish endowment and through the Catholic Community Foundation’s Catholic Education Endowment Trust. Any family needing assistance is to complete a FACTS online application. The form must be completed and submitted by March 1st. A second deadline for submission is June 1st. After outside sources of financial aid are exhausted, the principal, pastor, and business manager will work with the family on a case-by-case basis to assure that tuition is not an obstacle to pursuing an education at our school.

EDCHOICE

Ohio's Educational Choice (EdChoice) Expansion Scholarship Program provides state-funded scholarships to Ohio families to attend participating private schools, including Catholic schools, at reduced cost. The amount of the scholarship is based on the household income level of the student's family. We encourage all families to apply for the Ohio Department of Education scholarships for which they are eligible. More information on Ed-Choice can be found here:

<https://education.ohio.gov/Topics/Other-Resources/Scholarships/EdChoice-Scholarship>

ACADEMIC POLICIES

INTERIM REPORTS

Grades may be viewed online on Gradelink anytime throughout the year. This will give parents an opportunity to monitor grades, work with the student to improve a grade and/or to request a conference with the teacher. **Interim reports will not be sent home unless requested by a parent.**

REPORT CARDS

Report cards are issued four times during the school year following the end of each quarter. Kindergarten students receive report cards twice a year, at the end of each semester. Report cards will be sent home each quarter and can also be viewed online on Gradelink. The report card is approved by the Diocese of Cleveland, Office of Catechetical Formation and Education (OCFE).

GRADING SYSTEM

Gradelink is our school's grading software and also serves as the school's database. Please make sure you create an account for your family. Test scores, classwork/homework assignments, projects and class participation are all considered as part of the grade earned by the student for a particular subject. All Saints School will follow the grading scale of the Diocese of Cleveland.

The system used in Kindergarten is as follows:

- S - Satisfactory
- N - Needs Improvement

Report cards in kindergarten are given out twice a year (January and June).

The system used in Grades One & Two are as follows:

- O Outstanding
- S+ Very Good
- S Satisfactory
- S- Below Average
- N Needs Improvement
- U Unsatisfactory

The system used in Grades Three-Eight are as follows:

A+	100 - 98	C+	84 - 82
A	97 - 95	C	81 - 79
A-	94 - 93	C-	78 - 77
B+	92 - 90	D+	76 - 75
B	89 - 87	D	74 - 72
B-	86 - 85	D-	71 - 70
		F	below 70

The following grades may be used for effort and conduct as well as certain subjects depending on grade level.

- O Outstanding
- S+ Very Good
- S Satisfactory
- S- Below Average
- N Needs Improvement
- U Unsatisfactory

HONOR ROLL – Offered for students in grades 6-8.

In order to determine honors, the grades of the six major subjects plus Spelling, are averaged together to get a combined grade average. The subjects used to calculate the grade point average are: Social Studies, Science, Math, English, Religion, and Reading. (Spelling is also averaged into the GPA as a half point.)

Values are assigned as follows: (A+, A, A-) = 4 points; (B+, B, B-) = 3 points; (C+, C, C-) = 2 points
Students who receive D's, F's, N's or U's in any subject, they will not qualify for Honor Roll.

Honor Roll:

Highest Honors	4.0
First Honors:	3.5 – 3.9
Second Honors:	3.0 - 3.49

A student who has failed to complete an academic requirement is not eligible for honors. If a student receives a grade of “F” in a subject for three quarters, the student fails that subject and must attend a program for the summer and provide adequate documentation of successful completion. A student failing two core subjects may not be promoted to the next grade level at the end of the school year. Retention is at the discretion of the Principal and Teacher. Students may also be transferred to the next grade level but cannot continue at All Saints School.

STANDARDIZED TESTING PROGRAM

Students in grades K-8 will be given the MAP test 3 times a year (beginning, middle and end of the year). MAP stands for “Measures of Academic Progress.” These computerized tests are adaptive and offered in Reading, Language Usage, and Mathematics. When taking a MAP test, the difficulty of each question is based on how well a student answers all the previous questions. As the student answers correctly, questions become more difficult. If the student answers incorrectly, the questions become easier. The final score is an estimate of the student’s achievement level.

In addition, the **ACRE** (Assessment of Child/Youth Religious Education) is administered to students in grades 5 and 8. These assessments evaluate the effectiveness of our religion curriculum.

PARENT-TEACHER CONFERENCES

Two conference days (usually in October and March) are scheduled each school year. The conference in March is optional - a phone conference can be made if necessary. To schedule an additional conference, contact the teacher via phone, email, or note, who will then contact you to find a mutually convenient time.

Educating a child is a parent/teacher partnership. Communication between parents and the teacher is essential. **The teacher is always to be contacted first when discussing a problem with a**

student. If this approach proves unsatisfactory, the principal may then be contacted. In matters concerning school policy, the teacher should be contacted first and then the principal.

MONITORING AND EVALUATING STUDENT ACHIEVEMENT

Student achievement is monitored on the basis of objectives stated in the Graded Courses of Study and incorporated into the teacher's plan for daily instruction. Procedures for evaluating student achievement include, but are not limited to the following: teacher's observation of student responses, directed activities, quizzes, tests, participation in discussions, experiments, projects, oral and written reports, assignments, and written class work.

HOMEWORK

Homework is designed to provide students with extra practice of basic skills and enrichment of learning. Homework may be extended over a period of several days or weeks. **One of the most important aspects of homework is that its objective is to help the student learn to study independently.** Assignments that are given for homework are not always written. Many assignments will center on studying or reading, which require a time of silence. **Students in grades 1 through 8 are required to use an assignment notebook. Parents should check this book often. Parents should contact the teacher if their child is not able to complete assignments in a timely manner.**

A reasonable amount of homework is given on weekdays. The following time allotments are suggestions only, as ability and concentration have an impact on the length of time required for an assignment. If your child spends significantly longer than the guideline on a given night and is unable to complete the work, send a note to the teacher explaining the situation. If your child is continually taking longer with homework, please contact the teacher.

Kindergarten - About 20 minutes

Grades 1 through 3 - About 30 to 40 minutes

Grades 4 through 6 - About 40 to 60 minutes

Grades 7 through 8 - About 60 to 90 minutes

Homework is often not assigned on weekends or holidays. Long term projects and regular studying and free reading may be exceptions to this practice. Parents are encouraged to use math flash card drill **daily** as appropriate.

SUGGESTIONS FOR HELPING WITH HOMEWORK ASSIGNMENTS

1. Be interested in your child's school assignments.
2. Provide a good study atmosphere.
3. Recognize the child's abilities.
4. Help, but don't complete the homework assignment.
5. Insist that your child work neatly.
6. Don't permit your child to copy another student's work.
7. Check your child's work for accuracy and neatness.

PRIMARY AND INTERMEDIATE GRADES:

Please check with your child's teacher for their specific policies.

JUNIOR HIGH: The Junior High policy for completing homework is as follows:

~ **Daily assignments** or assignments due within a few days must be turned in on the due date to receive maximum credit when scored. If an assignment is turned in late, the student will be given a missing assignment slip. The slip and the assignment are due back the next day for 70% credit. If the student waits another day, the assignment is worth 50% credit. If the assignment and missing slip are returned past the second day, the teacher will issue a demerit, and the student will receive a zero.

~ **Long-term assignments** such as Science Fair projects and research papers, which are completed over several weeks and involve multiple steps, are due on the assigned due date even if the student is absent. In other words, the student may not be in school but his/her project must be. The student may send the completed project in with a sibling, parent, or other responsible party.

ATTENDANCE POLICY

ATTENDANCE AS REQUIRED BY LAW

Children between the ages of five (5) and eighteen (18) are required by law to attend school punctually and regularly. Chronic patterns of absences or tardiness disrupts valuable class instruction, discussion, and the continuity of work. Regular attendance is important not only for scholastic progress in school, but also because it builds habits and attitudes of responsible behavior for life. It is a serious obligation for parents to have their children attend school regularly and on time. Regular attendance in school is compulsory according to State Law (Ohio Codes 3321.01, 3321.03, and 3321.191). Parent(s)/guardian(s) and students must accept the full responsibility for regular attendance. Absences are recorded quarterly on the report card and yearly on the permanent record.

As of April 6, 2017, Ohio H.B. 410 eliminated the concept of 'chronic truancy' and instead categorizes all students with excessive absences as 'habitually truant'. Students are considered habitually truant when the student is absent for at least:

HABITUAL TRUANCY:

- 30 consecutive hours without a legitimate excuse (formerly 5 days)
- 42 hours in one month without a legitimate excuse (formerly 7 days)
- 72 hours in one school year without a legitimate excuse (formerly 12 days)
- 38 hours in one month regardless of excuse; or
- 65 hours in one school year regardless of excuse.

The school will send written notification to the parent or legal guardian of any student who is absent, with or without legitimate excuse, for 38 hours in a month or for 65 hours in a year.

The principal will contact the Department of Local Public Schools concerning certain or dubious causes of truancy.

EXCUSED ABSENCE PROCEDURES

When a child is absent, parents are required to call the school before 7:30. Please state the child's name, room number, and reason for absence. Please call each day your child is absent. If there is no report, the parent will be contacted at home or work. If a parent or guardian cannot account for a student's absence, the Police Department may be contacted to verify the safety of the child.

(email school secretary, Mrs. Debra Sobkowich – dsobkowich@allsaintssjv.org or call 440-943-1395)

To bring consistency and clarity to our policy, please provide the following information:

REASON FOR ABSENCE

According to the State Board of Education Revised Code 3301-69-02

~ Illness of the child. **A doctor's note is required for absences of more than five**

consecutive days or more than seven days in a month.

- ~ Critical Illness in the family (Doctor's note needed.)
- ~ Quarantine of the home.
- ~ Death of a relative.
- ~ Medical or dental appointment.
- ~ Observance of religious holidays.
- ~ Discretion of the principal.

Understandably, illnesses and injuries do happen, but chronic patterns of absences or tardiness limit students in their opportunity to acquire meaningful understanding of subject matter, and limit student collaborative classroom work. Frequent absences or tardiness also limits the effectiveness of the teachers' work and instruction for students in the classroom.

MAKE-UP WORK FOR EXCUSED ABSENCE

Homework may be requested. **The request should be made when you call in to report the absence.** Homework can be picked up in the office between 2:00 P.M. and 2:45 P.M. or sent home with a sibling. No work may be picked up during the school day. **The child will have one day for each day of absence to complete the assignments.**

TARDINESS

Students who come after 7:30 A.M. must check in at the office and will be marked tardy unless he/she was tardy because the bus was late. They must then give the tardy slip to their teacher. **Tardiness to school will count against perfect attendance and is recorded on the child's permanent record card. Excessive tardiness will be brought to the attention of the parents.**

If a student arrives after 9:30, he/she will be marked 1/2 day absent.

If a student leaves before 9:30, it will be marked as an all-day absence.

If a student leaves at or before 12:00 P.M., it will be marked as a 1/2 day.

When a student leaves early, he or she must be signed out in the office.

APPOINTMENTS

When a medical appointment is necessary, the student must present a note to the teacher, explaining the reason for dismissal and designating the person who will be transporting the child. Students are to be picked up in the school office for appointments and signed out by the designated person. When the student returns to school he/she is to report to the office before reporting to the classroom. Students who miss 2 hours or more of the school day for an appointment will be marked as half day absence.

HIGH SCHOOL VISITATION

The eighth-grade teachers arrange one high school visitation day for all eighth grade students. Seventh graders are strongly discouraged from visiting high schools during calendared school days. Please plan on taking advantage of the opportunities offered during eighth grade.

Please communicate plans for the day to your children and the school before the school day begins.

Written notes regarding transportation changes are to be submitted to the teachers. If something unforeseen changes, please telephone the school office by 1:30 so that messages can be delivered.

FAMILY VACATIONS DAYS More than 3 days - (Please use request form.)

Scheduling a vacation or other absence during a time when school is in session causes a serious interruption in the instructional process. The school releases the school year calendar well in advance so families can plan around days in session and other school events. At times when this is unavoidable, parents will be asked to complete a vacation request form and return it to the office at least 5 days before the scheduled vacation. **Teachers are not required to give work and assignments ahead of time.** For long term assignments with due dates during planned non-illness absence, assignments are due **BEFORE** the absence unless other arrangements are made with the teacher. **Work received from the teacher(s) prior to the student's vacation must be submitted one day after the**

student returns to school in order to receive full credit. Some work may need to be received from the teacher once the student returns to school. **It is not the responsibility of the teacher to monitor missed work or to re-teach missed material. This responsibility rests with the student & parents.**

CODE OF CONDUCT

Discipline is a necessary factor in creating an atmosphere conducive to reflective and intelligent behavior. Respect for God, self and others is what motivates us to make choices that contribute to a Christian learning environment. Students are assisted in learning that self-discipline is part of total growth and that they have responsibility for their choices.

Discipline problems seldom arise from a single instance. Usually they result from a series of minor offenses. Misconduct disrupts the learning process of other students, infringes on the rights of others, destroys the property of others, and/or is a threat to the safety of others.

Parents/guardians are the primary educators of their children and we believe that the support, cooperation, and involvement of parents are vital to the growth of students as individuals and as part of a Catholic school community.

In order to maintain a Christian learning environment, All Saints School resolutely adopts the Code of Conduct. It is operative on all school and parish property, the playground, the gymnasium, the Social Hall, the Church, transportation, and all school-sponsored functions.

The classroom teachers ordinarily handle discipline. It is positive in nature and based on classroom and school expectations of which the students have been informed. Violations of the school or classroom expectations may result in disciplinary action. Disciplinary action includes but is not limited to written or verbal warning, loss of privileges, parent conferences, detention, behavior contract, probation, suspension, and/or expulsion.

PHILOSOPHY OF DISCIPLINE

The faculty of the school strives to instill in the student's respect for self and each other. Firmness and justice in discipline is stressed, yet teachers are sensitive to the needs of each individual student. Rules and regulations are necessary to establish a positive atmosphere for the academic process. Each student has the right to expect and be guaranteed such an environment and every student, in justice, must contribute positively to the overall atmosphere of a teaching - learning situation.

- Students are expected to possess self-discipline and to be considerate and cordial toward others.
- Students are to obey school regulations and a teacher's reasonable requests and are not to interfere with the learning process in a classroom.
- Student self-discipline is fostered when students know their rights, understand what is expected of them, and are aware of the consequences of breaking rules or infringing on the rights of others.
- Appropriate behavior will be recognized and rewarded.
- Corrective measures will be taken when self-discipline and/or poor choices are lacking.

CLASSROOM DISCIPLINE

Appropriate student behavior is stressed in the following ways:

- a. By encouraging a desire for Christ-like behavior among the students.
- b. By recognizing the students' worth as an individual and respecting their God-given individuality.
- c. By assigning the students a share in classroom responsibilities.

d. By the teacher striving to be firm, just, consistent and impartial.

Inappropriate student behavior may be dealt with in the following ways:

- a. By the methods listed on the classroom discipline policies.
- b. By a conference with student and teacher.
- c. By a conference with student, teacher, and parent.
- d. By a conference with student, teacher, parent, and principal.
- e. By a loss of minor privileges and in-school detention.
- f. A serious infraction of school regulations may result in the suspension of a student.
- g. By the loss of the privilege to participate in extracurricular activities, field trips, camp, class picnics, etc.

STUDENT EXPECTATIONS DURING LUNCH AND RECESS

Lunchroom:

Students are expected to abide by the lunchroom rules and policies. Parents help supervise the lunchroom and students are expected to respect and obey them at all times. Students are to conduct themselves as they would at their own dining table.

Rules: In the lunchroom, students will:

1. Walk to, from and in the lunchroom.
2. Stand in line and avoid cutting-in.
3. Keep hands, feet and all other objects to themselves.
4. Stay seated at assigned places except to throw away trash or purchase snacks.
5. Leave places clean and in order.

Recess:

Two staff members supervise each recess session. Students are expected to abide by all playground rules and policies. We feel outdoor recess time is very important for grades PreK-8. They need to get some fresh air, stretch their arms and legs and socialize with other students. No student is permitted to stay in for outdoor recess without a written excuse from the doctor.

On the playground students will:

- Stay in their playground area
- Dress appropriately for the weather (When freezing temperatures persist, students need to wear appropriate winter weather clothing)
- Play fair and share
- Refrain from games or activities that involve tackling or in any way hinder the safety of other students
- Line up quickly and quietly when the bell rings

* **No** student is permitted to re-enter the building during recess without adult supervision and/or the specific permission of a staff member. If recess follows lunch, students must go directly outside.

* **Serious infractions such as fighting, or disrespect towards a teacher or parent will result in a referral to the principal.**

DETENTIONS/DEMERITS (Grades 4-8)

DETENTIONS – Detentions are issued for the following:

Disrespectful behavior with peers, faculty, staff; disturbance in class; fighting; cheating and forgery; destruction of property; other forms of misconduct that may warrant a detention.

A student who is issued a detention will be placed in a supervised room after school usually on the following Tuesday. The parents will be advised so they can make arrangements to pick up their child at 3:00.

DEMERITS – Demerits are issued for the following:

Uniform policy violations; repeatedly unprepared for class; uncovered textbooks; failure to return missing assignment slips or signed test; gum-chewing anywhere on the premises; having unauthorized electronics in class; other behaviors that may warrant a demerit.

Demerits are served during the student's recess time.

GENERAL SCHOOL PREMISES RULES

1. Children will walk **quietly** in the corridors and avoid running, pushing or crowding.
2. Children will take proper care of school property including books, computers and gym equipment.
3. Students will refrain from disruptive conduct and profane or inappropriate language.
4. Students will conduct themselves appropriately during field trips and any and all class outings.
5. Gum chewing is **not** permitted anywhere on the premises.
6. Students are to remain in designated school areas at all times.
7. Students who are car riders or late bus riders are to report to assigned areas immediately upon dismissal.
8. Possession of drugs and/or alcohol results in an automatic suspension.
9. Electronic devices and expensive toys are not permitted. If brought to school in violation of this rule the school is not responsible for these items and may be taken away from them.
10. Students are to conform to the Uniform Policy. Any uniform infraction results in a warning by notification to parents, which must be signed and returned. Warnings result in a demerit or detention.
11. While riding the bus, students are under a special obligation to conduct themselves properly. Order is essential if all children are to ride safely. The bus driver is an authority and has the responsibility of reporting any serious student misconduct to the school office and to the appropriate public school personnel.
12. A student who wishes to go to the Clinic to see the nurse due to illness or injury must first secure permission from a teacher. If it is necessary to go home, the nurse will inform the teacher and the student will be released from school.
13. The office telephone may only be used by students with permission and for emergencies.
14. Cell phones & electronic devices are not to be used during school hours without permission of the teacher or administrator.

SUSPENSION/EXPULSION

SUSPENSION

If strong corrective measures are needed, the principal with the approval of the pastor may employ suspension under the following guidelines:

1. In-school suspension

- a. The student will be in isolation from classmates for the entire day under the supervision of a faculty member.
- b. The student will go to each teacher before school, obtain assignments, and be engaged in school work all day.
- c. The student will receive credit for completed homework.
- d. Attendance at, or participation in school-sponsored activities (including CYO sports)

is forfeited for the time of the suspension.

2. Out-of-School Suspension

- a. The student is not allowed on school property for the duration of the suspension.
- b. Depending upon the seriousness of the infraction the suspension duration may last from anywhere from one (1) to ten (10) days.
- c. The student will receive partial credit for school work completed while serving their out of school suspension.
- d. Attendance at or participation in, school-sponsored activities (including CYO sports) is forfeited for the time of the suspension.

EXPULSION

The expulsion of a child is a serious matter and is ordinarily preceded by suspension until all facts are reviewed.

1. The pastor must approve all expulsions.
2. Contact will be made with the Diocesan Area Superintendent when contemplating expulsion.
3. Notification of the event will be made to the parents and pastor by the principal.
4. A conference shall be held with the parents, teachers, principal and pastor before expulsion.
5. After consultation, the principal and pastor will be the persons responsible for the decision to expel the student.
6. Documentation regarding the expulsion will be filed in the principal's office.

*Students who exhibit a consistent disregard for school rules will not be invited to return for the following school year.

**The school reserves the right to inspect the students' desks, lockers and other belongings when suspicion arises that something stolen, illegal or harmful may be in a student's possession.

***Because it is impossible to foresee all problems, which may arise, this clause empowers the faculty and administration to take disciplinary action for any behavior which violates the spirit and philosophy of All Saints School of St. John Vianney even though not specified in this document.*

EDUCATIONAL PROGRAM

RELIGIOUS EDUCATION PROGRAM

All Saints School's religious education program is not just one class each day in religious studies. The students have an opportunity to participate in liturgies and other prayerful experiences. The preparation and participation in these liturgies is an important part of your child's religious training. Prayer is an important part of each day and is encouraged throughout the day. In addition to daily religious lessons that teach the basics of faith, students participate in special projects during liturgical seasons to increase their understanding and love of our Catholic traditions. **We are very fortunate to have mass and local priests and seminarians visit the classes once a week.**

Students, except those who are not baptized Catholics or those baptized in non-Catholic faiths, participate in the reception of Sacraments. All children in Grade Two are prepared for the reception of the Sacraments of Reconciliation and First Eucharist. Children who are baptized Catholics will receive the Sacraments.

Students are also given opportunities for service in our community by means of the following:

- ~ Awareness of and contribution to the missions, both home and foreign.
- ~ Remembrances and projects for our sick and homebound parish and community members.
- ~ Food and clothing collections for the poor.
- ~ Periodic fundraisers for special need populations.

Religious formation needs to be fostered and supported primarily in the home. The school becomes an extension of the home in the life of a child; and, therefore, we cannot accomplish these religious goals without strong family involvement and support. It is the parents' responsibility to see that children attend Sunday liturgy regularly and to guide your children to the reception of the Sacraments on a regular basis.

SERVICE HOURS

The service program is for all Jr. High students. Service hours are a part of the student's Religion grade. The required number of service hours by grade level is as follows:

Grade 6: 6 hours

Grade 7: 7 hours

Grade 8: 8 hours

Any service hours earned after Memorial Day will be counted toward the next school year. After completing grades 6, 7 and 8 each student should have a **minimum** of 21 hours in this Mandatory Program. Students need to complete and turn in the service hour form to the school office to receive credit. Please don't wait until May to complete the forms. **Please note:** Service hours cannot be completed all in one year – for example, if a child does 21 hours in Grade 6, **the child must still do service hours in Grade 7 and 8.** The service form can be found on our website: allsaintssjv.org/forms.html

ASSEMBLIES AND CLUBS

All students may participate in additional educational programs, such as assemblies, that correspond to

curriculum objectives, and co-curricular activities, i.e. COSI, Science Fair, Choir and Drama Club.

INSTRUCTIONAL PROGRAM

All Saints School follows the approved standards and graded courses of study in all subject areas as determined by the Department of Education of the State of Ohio and the Office of Catholic Education of the Diocese of Cleveland. The following areas constitute our curriculum: religion, language arts (reading, phonics, English, spelling and handwriting), mathematics, science (including health), social studies, fine arts (music and art), physical education, foreign language, and computer education. State guidelines regarding time allotments are followed and textbooks approved by the Diocese are used. Teachers make use of a variety of instructional materials and techniques to teach children. Every teacher and staff member is dedicated to Catholic education.

These books are on loan to us and may not be defaced. When programs are changed and/or updated, previously used books are returned to Wickliffe. As a policy, all books may be taken home for study purposes. All hardback books **must** be covered. The Office of Catechetical Formation and Education (OCFE) of the Diocese of Cleveland and the State of Ohio approves textbooks.

EDUCATIONAL RESOURCES

AUXILIARY SERVICES

Ohio Auxiliary Services provides funding for remedial teachers/tutors, school psychologist, speech therapist, nurse, health-aide, and clerk at All Saints. A portion of the funding is also used toward the supplies and materials used in these programs and the purchase of some of the textbooks. Students are screened to determine if they are eligible to participate in speech, psychological service, and intervention/remedial programs. In addition, parent and teacher referrals are made. Parents must sign a consent form giving permission for the child to participate. Parents may also opt out of these programs by signing a waiver to that effect. All waivers are maintained in the student's permanent file.

SPEECH THERAPY

The services of a Speech Therapist are available. All children new to the school may be screened for this program. The therapist instructs students in need of therapy after obtaining permission from the parents.

PSYCHOLOGICAL TESTING AND COUNSELING

The service of a Psychologist Assistant is available. In addition, teachers and/or parents may refer a child for assessments, counseling, consultations, and other related services through the school psychologist. Such requests may be made by contacting the principals or in writing addressed to the school psychologist.

REMEDIAL/INTERVENTION INSTRUCTION

Individual tutoring by a certified teacher is provided for children with learning disabilities (those on Individualized Educational Plans, etc.) on all grade levels. Individual and small group instruction in reading and math is given to those students who qualify. Students on IEP's must apply for Jon Peterson Special Needs Scholarship (JPSN) Program which provides scholarships to students who are eligible to attend K through 12th Grade and have an Individualized Education Plan from their district.

EDUCATIONAL PROCESS

ROLE OF PERSONS INVOLVED IN THE EDUCATION PROCESS

- A. *Pastor*** - The pastor is the spiritual leader of the school.
- B. *Principal***
Qualifications - The principal of the Catholic school shall meet the requirements of the State Department of Education, holding both a teaching and an administrative license.
Responsibilities - The principal is the catechetical and educational leader in the school community charged with the administration and supervision of the school. The principal is accountable for these duties and responsibilities and is evaluated by the Pastor of St. John Vianney.
- C. *Teacher***
Basic Requirements:
 - 1. All teachers of the Diocesan School System must be of good moral character and be certified by the State of Ohio. They must meet all requirements for licensure as stated in Section 3319.30 of the Ohio Revised Code.
 - 2. All teachers must meet the religion standards for certification set by the Office of Catechetical Formation and Education (OCFE) or working toward certification as approved by the principal and pastor.
 - 3. The teacher is accountable to the principal and is evaluated in writing each year by the principal, who utilizes a Diocesan approved evaluation instrument.
- D.** All persons involved in the supervision of children are required to be fingerprinted and complete the Virtus Training as well as well comply with other Diocesan and Parish requirements.
- E. *Students***
Please review the Family Handbook with your child, specifically the student section. Students should follow the guidelines set up under the Student Code of Conduct and the Philosophy of Discipline. Students should be aware of the expectations for the school and classrooms.
- F. *Parents***

Parents, as the primary educators, have the responsibility of providing a Christian atmosphere in the home to be extended into the school. Education is the primary right and duty of the parents. The child will learn what a committed Christian is from the example set by parents. By sending their children to a Catholic school, parents are delegating some of their authority to the school. Only by mutual support and cooperation between the school and home will the goals of forming committed Christians be attained. By parent modeling, children will learn to trust and respect all involved in their Catholic education.

OPEN AND HONEST COMMUNICATION BETWEEN PARENTS, PARISH, AND SCHOOL IS CRUCIAL TO THE BUILDING OF A LEARNING COMMUNITY.

Guidelines to enhance understanding between home and school:

- Instruct your children that teachers and other authorized adults are to be respected just as they respect parental authority. Without parental support and student cooperation, the teachers cannot accomplish the task entrusted to them.
- Show interest in your children's progress as reflected on the report card. Take care to understand their progress, behavior, gifts, talents, and ability.
- Affirm your child's efforts. Poor and mediocre progress should be a cause of concern, and effort should determine issues impacting a child's success. Parents should consult with the teacher immediately concerning poor grades, behavior, and/or classroom procedure.
- Encourage your children to bring messages from school and take messages to school.
- Cooperate and support with understanding the administrative decisions as determined by the Principal, including curriculum changes, textbook changes, report cards, scheduling, calendar, staffing, and school closings.
- Show an interest in who your child has selected as friends.
- Help your children recognize their uniqueness as beloved children of God. Make your home a faith-filled environment where Catholic beliefs, values, morals, and joy may be lived and celebrated.

HEALTH CONCERNS

HEALTH

School health services programs exist to protect and maintain each child's health. To assist us in this task, a health-aide and/or registered nurse is on duty at All Saints School daily. They conduct screenings in the areas of hearing, vision, and posture. The health-aide/nurse provides immediate care for those who become ill or injured during school hours. This care is not to be intended as a substitute for medical care. State law prohibits nurses and health-aides from practicing medicine, which includes making medical diagnoses of illness and injuries and prescribing medication. This is a physician's responsibility. The health-aide/nurse is a liaison between educational and medical personnel. It is essential that parents keep the health-aide informed about their child's medical conditions. A physician's report gives a more complete account of medical conditions and what measures that need to be taken in emergencies. The parents need to request this report from the physician.

EMERGENCY RESPONSE PLAN

At the beginning of each school year, or when a child joins All Saints School, parents are asked to submit a child's medical record, including a report of any medical conditions and medications. A clinic is maintained for first aid and emergencies.

IMMUNIZATIONS

Records of students' immunizations are kept on file as part of the students' health files. The State of Ohio requires that any child who does not meet minimum immunization requirements **cannot** be

admitted to school. **Documentation of immunization records must be provided before a child can be admitted to the school.** The school health aide/nurse will contact you if immunization records are incomplete and advise you of necessary immunizations. Any pupil whose records are incomplete by the 15th day of school will not be permitted to remain in school until all immunizations are completed and reported to the school.

The required vaccines are listed:

- A.** Three (3) doses oral polio vaccine (if third dose was received before 4th birthday, a fourth dose is required).
- B.** Four (4) doses D.P.T. (Diphtheria, Pertussis, Tetanus) (if received before 4th birthday, a fifth dose is required.)
- C.** Three (3) doses of Hepatitis B vaccine before entering Kindergarten.
- D.** Two (2) doses measles (Rubeola) vaccine (first dose must be received after the 1st birthday and the second dose at least 28 days later).
Two (2) doses German measles (Rubella) vaccine (first dose should be received after the 1st birthday, second dose at least 28 days later).
Two (2) doses mumps vaccine (first dose **must** be received after the 1st birthday and the second dose at least 28 days later). **OR**
- D.** Two (2) doses of MMR (Measles (Rubeola), Mumps, and Rubella (German measles)) vaccine are required. The first dose must have been received on or after the 1st birthday and the second dose at least 28 days after the first dose.
- F.** Varicella Vaccine (Chickenpox) required before entering Kindergarten.
- G.** Booster Tdap – before 7th grade.

MEDICAL INFORMATION

Parents shall supply the school with any pertinent information necessary if the child has a chronic health problem. **TEACHERS MAY NOT ADMINISTER ANY TYPE OF MEDICATION**, whether prescription or over-the counter.

MEDICATION ADMINISTRATION POLICY

State Law requires that no drug, including any over the counter medications (such as Tylenol, antacids, and cough medicines) be taken at school without **written permission from a physician and parent**. The specific medication forms must be obtained from the school clinic (or on our website) and filled out by the physician and parent prior to bringing the medication to school. These forms are kept on file in the school clinic. A new form must be completed for a change in prescription. These forms are required and must be updated every school year.

Medication must be in the original prescription bottle with label attached containing student name, name of the medication, dosage, time administered, and duration. The expiration date of the request and a listing of possible side effects should be supplied. At determined times, the student will return to the clinic and will be observed taking the medication.

With the exception of inhalers, no student may carry medication of any kind on his/her person. (Obviously, the student may carry OTC medications to the clinic). All prescribed medication must be taken home by a parent/guardian over extended school holidays and at the end of the school year. It is the parent's responsibility to notify the school of any change in the medicine schedule. Medications are kept in the school clinic and the administration is supervised by the health-aide or a staff member designated by the principals who then give the medication to the child, observes the child taking the medication, records, and stores the medication. The designated school personnel keep a Medication Record and maintain it on file until the end of the current school year. If the child is taken off the medication or no longer needs to receive it at school, the parent shall notify the school Health Aide in

writing.

PEDICULOSIS (HEAD LICE)

The main symptom of head lice is unusual or repeated scratching around the back of the neck and ears. The best way to confirm a case of lice is to closely examine the scalp for small, grayish-white eggs, especially at the back of the neck and above the ears. These nits can sometimes be mistaken for dandruff, but they cannot be easily brushed away. Precautionary measures include examining your child's hair on a weekly basis and reminding your children to avoid sharing combs, brushes, hats, scarves, and coats.

Please contact your doctor and the school if you suspect a problem. If a case of head lice is reported, all the children in the class and all siblings will be checked by the health-aide/nurse. If a child does have head lice, he/she will be excluded from school until proper treatment is received. Treatment includes shampooing with special lice shampoo and the removal of all nits (eggs) from the hair by using a fine-toothed comb. The child may not return to school until all the nits have been removed. Upon return, the child must report to the nurse's office to be checked by the health aide PRIOR to returning to the classroom.

VISION SCREENING

Vision screening is done on students in grades K, 1, 3, 5, 7 and all transfer students. Children recommended by teachers and/or parents may also be screened. The health-aide/nurse will notify parents if their child does not pass the vision screening and needs to be examined by an eye doctor.

HEARING SCREENING

Hearing tests are given to students in grades K, 1, 3, 5, and all transfer students. Children recommended by teachers and/or parents may also be screened. The health aide/nurse will inform parents if their child does not pass the hearing test and needs to be examined by an ear doctor.

SCOLIOSIS SCREENING

Scoliosis is a sideways curvature of the spine in the upper and/or lower back, and it is most commonly found in adolescence. Scoliosis screening is done on students in grades 5, 6, and 7. The physical education teacher may also refer students for this screening. The nurse will inform you if your child does not pass the screening and needs to be seen by your doctor for possible spinal x-rays. Scoliosis in the immature spine can be corrected without surgery; therefore, it is very important to detect scoliosis before the spine is finished growing.

FIRST AID

Basic first aid will be administered to any student who is injured during the school day. This includes, but is not limited to, bandaging of wounds, taking of temperature, and ice compresses. In the event of an emergency of a serious nature, illness or otherwise, the parent/guardian will be notified immediately. For this reason, up-to-date emergency information is necessary. It is the responsibility of the parent/guardian to keep this information current.

ILLNESSES

To help control the spread of contagious illness, you are asked to keep your child home if he/she appears to be ill. Symptoms such as a cough, sore throat, runny nose, swollen glands, red eyes, vomiting, diarrhea, fever, and unexplained rashes are some good reasons to keep your child at home and then, if necessary, take him or her to a physician for diagnosis. **Do not send your child back to school until he/she is free of symptoms without the aid of medication (such as fever-reducing aids) for a minimum of 24 hours.**

COMMUNICABLE DISEASE

When a child has been diagnosed as having a contagious condition (such as COVID-19, flu, head lice and strep throat), parents must notify the school office. A notice will be sent home if students are exposed to communicable diseases. **(Please note that if a child has a throat culture, he/she**

should be kept home until the results of the culture are known.)

When a child has been sent home with an illness, the child should not return to school until free of symptoms and fever for at least 24 hours.

If your child is too ill to go out for recess, he/she is too ill to attend school. Please do not send notes requesting that your child stay in for these activities. The only exceptions would be for serious reasons as determined by the parent in conjunction with the physician.

When a child becomes ill or is injured at school, he/she must notify his/her teacher who will give the child permission to go to the clinic. The child will be evaluated there to determine the necessary action. If the child is ill and needs to be sent home, the parent/guardian will be called to take the child home. A record is kept documenting all visits to the clinic including symptoms and actions taken. This record is kept for the duration of the school year.

ACCIDENTS

Every accident in the school building, on the school grounds, at practice sessions, or at any athletic event sponsored by the school must be reported immediately to the person in charge, the principal, or the school nurse.

ALLERGY POLICY

All Saints School recognizes that life-threatening food allergies are an important condition affecting many school children and positively welcomes all pupils with food allergies. In order to minimize the incidence of life threatening allergic reactions, procedures for addressing life threatening allergic reactions are in place for any student(s) whose parent/guardian, and physicians have informed the school in writing that the student(s) has a potentially life-threatening allergy.

Training: In order to minimize the incidence of life threatening allergic reactions, training and education is provided for all staff at the beginning of every school year. The training will be provided to all school employees and will include (but not be limited to):

- ~ A description/definition of severe allergies and a discussion of the most common food, medication, latex and stinging insect allergies
- ~ The signs and symptoms of anaphylaxis
- ~ The correct use of an epinephrine auto-injector (EpiPen)
- ~ Specific steps to follow in the event of an emergency
- ~ Activating Emergency Medical Response - Dial 911.
- ~ Location of emergency EpiPen (in the event that a student has a severe allergy, his/her teacher will carry an EpiPen at all times)

Notifications: The school nurse will be responsible for notifying classroom teachers about the nature of the life-threatening allergies faced by students. This notification will include an explanation of the severity of the health threat, a description of the signs and symptoms to be aware of and what allergen (food, materials, etc.) to avoid.

Classrooms: Teachers will be familiar with the allergies of students in their classes and respond to emergencies as per the emergency protocol.

- ~ In the event of a suspected allergic reaction the school nurse will be called and the school's Emergency Response Plan activated. The emergency medical services will be called immediately.
- ~ Students' food allergies information will be kept in the classroom and in the substitute emergency folder, accessible by teachers, substitutes or other responsible adults.
- ~ All teachers and substitutes will be educated about the risk of food allergies.
- ~ Hot lunch is available from the cafeteria daily, however, a parent or guardian of a student with food allergies is responsible for communicating with the cafeteria manager to determine food safety or for providing food for his/her own child. Snacks will be kept in a separate snack box or chest provided by the parent or guardian.

- ~ Tables will be sanitized following any food related events held in the classroom.
- ~ Proper hand cleaning techniques will be taught and encouraged before and after the handling/consumption of food.
- ~ A peanut-free table at lunch may be provided.

ASTHMA

This school encourages children with asthma to achieve their potential in all aspects of school life. All staff members that come into contact with children with asthma are provided with training on asthma from the school nurse who has had asthma training. Training is updated as needed. Immediate access to rescue inhalers is vital. Children are encouraged to carry their rescue inhaler as soon as the parent, doctor or nurse, and homeroom teacher agree they are mature enough. Parents are asked to ensure that the school is provided with a labeled spare rescue inhaler. All inhalers must be labeled with the child's name by the parent.

PERSONAL HYGIENE

It is important that your child comes to school clean and well groomed. Children should be taught at home, as well as in school, the importance of washing hands often for at least 20 seconds, proper hygiene related to use of the bathroom, covering one's mouth and nose with a tissue when sneezing or coughing or coughing into the elbow instead of the hand, not borrowing hats or combs from others, not sharing food with others, etc. Daily brushing of teeth, caring for hair, cleansing of the body, getting proper sleep, and eating nutritionally sound meals goes a long way in helping students remain healthy and building their self-esteem.

BLOODBORNE PATHOGEN PROTOCOL

The Occupational Safety and Health Administration (OSHA) regulation 20 CFR 1910.1030 requires training for teachers and staff on protocols related to Occupational Exposure to Bloodborne Pathogens. The pathogens of primary concern are the Human Immunodeficiency Virus (HIV) and the Hepatitis B Virus. When coming into contact with blood (bloody noses, cuts, loose teeth, etc.), we will be using gloves and any other personal protective materials which have been provided for all teachers and staff.

SAFETY

BEARACADES

The classroom doors have been equipped with Bearacades®. The Bearacade® Lockdown Response System deploys quickly and easily on any interior door in the event of an emergency to prevent the door from opening in either direction. It is an additional layer of safety for our school.

BIOHAZARDS

All Saints School has on file a Biohazard Exposure Control Plan, which deals with safety precautions for dealing with ANY body fluids. Faculty and staff receive in-servicing in this area yearly. As part of the protection, faculty and staff are provided with gloves and appropriate kits for handling ALL body fluids.

Students are to observe the following cleanliness precautions as part of this plan:

1. Wash hands with soap and warm water after using the toilet. Rub hands for at least 20 seconds under running water. Use a paper towel to turn off the water.
2. Dry hands with disposable paper towels. Throw paper towels in the plastic bag-lined containers available.
3. If there is a questionable fluid spill such as vomitus, urine, feces, or blood--**DO NOT TOUCH** and tell an adult immediately

CRISIS PLAN

All Saints School has a safety plan to address a variety of emergencies. All teachers and staff are aware

of the procedure to follow to keep children safe. These plans and procedures are reviewed and practiced annually, and they are on file with the State of Ohio. In the event of an emergency requiring evacuation of the school building, the students will be moved to the Field House.

EMERGENCY DRILLS

All Saints School follows state law by conducting required fire, tornado, intruder, and emergency evacuation drills.

Fire Drill: Fire drills are held as required by the State of Ohio. Emergency exit procedures in case of fire are posted in the classrooms and throughout the school building.

Tornado: Tornado drills are held as required. In the event of a tornado, All Saints requires students and all personnel to follow the tornado procedures posted in the classrooms.

Rapid Dismissal Drills: A Rapid Dismissal Drill is used to evacuate everyone from the building as quickly as possible. They are held at the end of the day when the children board buses and cars (typically once a year).

Lockdown Drills/Shelter in Place: The State of Ohio requires specific lock-down drills annually, including those with the local law enforcement agency (Wickliffe Police Department)

EMERGENCY RESPONSE PLAN

The following plan will be put into action by the All Saints of St. John Vianney Emergency Response Team (ERT). The ERT will comprise the following staff members: principal, psychologist, nurse and teachers from respective grade levels.

Definition of emergency: A sudden unanticipated event that negatively affects a significant segment of the school population that may involve a serious injury and/or death.

The principal will be in charge in an emergency. If he/she is unavailable or unable to assume this role his/her designee will be in charge.

Reaction steps.

1. It is important that all facts surrounding an emergency situation be verified and not repeated or shared with others until the principal gives authorization.
2. In the event of an emergency the principal will assemble the available ERT and assign duties.
3. All members of the ERT should work together but always with the knowledge of and direction of the principal.
4. The primary aim of the ERT will be to contain or respond to the event.
5. Notification of the emergency will, when possible, be given to faculty and staff first, then to the students and parents and if deemed advisable to the general public.
6. Any and every public statement surrounding the emergency will be released by the principal or the spokesperson designated by the principal.
7. In responding, special consideration will be given to those directly involved in the emergency, their families and closest friends among the school community.
8. Decisions to enlist the support of the local police and/or other public agencies will be made by the principal in consultation with the ERT.
9. If evacuation of the school is necessary the students will be taken to the Field House as directed by the Wickliffe Police.

Follow-up

1. Following the containment or resolution of the incident, the ERT will meet to consider appropriate follow-up activity.
2. The ERT will debrief and analyze the emergency to build on their success and make improvements in any problem areas.

UNIFORM POLICY

There is a uniform policy that is strictly enforced. Every family is given this uniform policy. If your child is **consistently** out of uniform, the students' homeroom teacher will bring it to your attention with a form that needs to be signed and returned. If your child will be out of uniform for a day, a note must be sent stating the reason for not wearing the correct uniform. If the student continues to be out of uniform a demerit and or detention may be issued. **The administration has the final say concerning the uniform policy.**

(The uniform policy can be found at the end of this document.)

VOLUNTEERS

- ~ The classrooms have the services of homeroom parents and/or teacher aides. Volunteers also help during special activities.
- ~ Volunteers are expected to meet certain expectations. A volunteer is expected to be of good moral character, have a sense of responsibility and respect for children and have a respect for confidentiality.
- ~ A parent volunteer must arrive on time for the activity and notify the school if they are unable to be present.
- ~ All volunteers shall check into the School Office before reporting to the work area.

If there is a serious violation, please call the office to notify the principal and ask for assistance. Any and all concerns that a volunteer may have about incidents witnessed should be brought to the attention of the principal. Disciplinary action may be taken only by a faculty member.

The Parent Volunteer is a representative of the church and school community. Volunteers should speak of the school in positive terms. When there is a problem, Volunteers are to refer to the teacher or principal in order to resolve the problem. Volunteer input is important to build a strong community. A volunteer shall be a model to the children in one's respect of the school rules.

CONFIDENTIALITY

The volunteer must respect the privacy of the students. What happens in school stays in the school. School business is not to be discussed outside the school or with other volunteers. A volunteer may not discuss a child's progress with anyone nor inquire into family backgrounds. Volunteers should demonstrate a friendly, tactful, helpful and fair attitude to all students.

Cell phones will be returned only to a parent after being notified about the violation. **Contents of a cell phone may be searched, if there exists a reasonable suspicion that it may have been used in an activity prohibited by the Student Code of Conduct.**

ONLINE PRIVACY PROTECTION RULE

For educational purposes, All Saints School of Saint John Vianney utilizes computer software applications and web-based services operated by third parties including but not limited to the following: Seesaw, Google Suite (which includes Classroom, Gmail, and Meet), Pearson (Math), McGraw Hill - Wonders Reading Program, Edmentum (Exact Path), NWEA for Map Testing, FlipGrid, Dojo, EverFi, Prezi, (Hereinafter, collectively "Third Party Sites").

In order for students to use Third Party Sites, certain personal identifying information, generally the student's name and email address, must be provided to the Third Party Sites. Under the Children's Online Privacy Protection Rule (COPPA), the Third Party Sites must provide parental notification and obtain parental consent before collecting personal information from children under the age of 13. Based on COPPA, the School is permitted to consent to collection of personal information on behalf of all of its students, thereby eliminating the need for individual parental consent given direction to Third Party Sites.

ANY ITEMS BROUGHT TO SCHOOL BY STUDENTS ARE NOT THE RESPONSIBILITY OF THE SCHOOL IF LOST, STOLEN, OR DAMAGED.

CLASSROOM REQUESTS

In the spring of each year, teachers, staff and administration meet to create the next year's class lists. Much effort and work is put into this process to make placements and groupings deemed best for all students. Classroom lists are determined in order to provide for an even distribution of learning styles, abilities, overall social mix, academic needs, etc. It is the policy that all critical needs are considered by experience, by evidence and input from the staff and teachers, and by scheduling of any special services for the next year. The placement of each child affects the placement of other children, to create the best teaching and learning environments. **Final decision rest with teachers and administration.**

CYO SPORTS

CYO sports programs are organized and supported by the St. John Vianney Athletic Committee. We believe [CYO sports](#) are vital and an important part of the Catholic Church's ministry to youth. These athletic programs are not only for the development of physical skills, but also for social interaction, emotional stability, affirmation and spiritual growth. It is also the goal of our program to promote good sportsmanship and build character. Of paramount importance to the success of our program are the volunteer coaches. The coach sets the tone and gives direction to the team. The coach's challenge is to take those teachable moments of victory and give witness to Christian values in his/her own reactions in dealing with the athletes, officials or parents. While CYO participation is supported and encouraged, a child is first and foremost responsible for fulfilling academic requirements.

FIELD TRIPS

All classes may participate in a field trip each year. It is an educational class field trip. Field trips are carefully selected to supplement the daily curriculum. Notification of planned trips will be sent home with each child. Signed permission slips must be returned on time if the child is to participate. Students are encouraged to participate in these activities as they are educational in nature and are part of the school program. Just as in all educational experiences, the cooperation of the student is essential to its success, therefore, any behavioral concerns may prevent the student from attending.

For certain trips, parents/guardians are asked to drive and act as chaperones. Parent/guardian chaperones are responsible for the children in their cars and those children assigned to them on the field trip. **WHEN A PARENT/GUARDIAN VOLUNTEERS TO CHAPERONE FOR A FIELD TRIP, HE/SHE ACCEPTS THIS LIABILITY.** Proof of valid driver's license and insurance coverage are required.

If such an event should occur, the school will fully comply with the authorities to provide any information necessary for legal action.

Modification of Computer: Modifying or changing computer/device settings and/or internal or external configurations without appropriate permission is prohibited and may result in discipline and/or the revocation of access to the System.

The parent with custody receives all reports and school communications. **Unless the decree states otherwise, it is the responsibility of the custodial parent to forward copies of all reports and school communications to the non-custodial parent.** The child will only be released to the custodial parent or persons designated by the custodial parent. **Unless there is a court order to the contrary, non-custodial parents have the right of access to student records.**

Further, parents should realize that unless restricted by court order, any non-custodial parent has the right to attend any school activity of the child including sports activities and class programs. Parents should keep each other informed as to these activities to avoid duplication of communication and to allow the school to better attend to the duty of teaching your children.

In cases of “joint custody” entitling both parents access to school personnel and activities, it is assumed that one copy of communication and information will be sent home with the child and this will be shared by and between the parents.

Regarding parent conferences in all custody situations, it is preferred and will be the general procedure that one conference appointment will be scheduled if both parents wish to be present. It is assumed that parents are able to set aside their differences and be able to come together on behalf of the child for this time. A joint conference also ensures that both parents are given the same information at the same time, thereby avoiding misunderstanding and misinterpretations.

In cases where joint conferences are clearly neither possible nor desirable, alternate arrangements may be discussed with the principal. Every effort may be made to keep communications open with both parents while at the same time avoiding duplication of services and excessive demands on the teacher’s time.

Separately mailed information to non-custodial or joint custody parents:

If a non-custodial parent or joint custodial parent wants progress reports, report cards, or school newsletters and information mailed to them or has a court order that requires such information to be mailed, it is necessary for them to provide self-addressed stamped business envelopes to the school office during the first full month of the new school year. Otherwise, it will be assumed that information is being shared or the court order requirement is being waived.

CHILD ABUSE

All staff and faculty members are designated reporters under the Ohio Revised Code and are obligated to report all instances of suspected abuse to the proper authorities. The Ohio standard requires only “reason to believe” to justify reporting. The Ohio law protects the confidentiality of the report and the person reporting.

DRUGS/ALCOHOL/CHEMICAL USE/ABUSE

All Saints School recognizes that alcohol and drug abuse is a serious societal problem, which does not respect any group or age, and that the dependency stage of alcohol and drug abuse is a treatable illness. Health and social problems of youth are primarily the responsibility of the family.

As educators in a Catholic Parish-School and in an effort to provide a drug free environment, we are called to be charitable and compassionate for the sick and show genuine concern for each of our students. We recognize that we have an obligation to the common and individual welfare of our students. Continuing educational programs for parents, teachers, and students convey the message that drug and alcohol abuse is harmful and usage is not permitted. Our Health curriculum covers this topic in all grade levels. Appropriate consequences and sanctions are to be imposed on those who violate any of the provisions of this policy or any local law or statute concerning illegal substances.

Parents will be notified immediately if a student is found to have or be under the influence of tobacco, alcohol or drugs, or to have drug paraphernalia in his/her possession on school property or during off-campus activities sponsored by the school/parish.

A mandatory conference with both parents/guardians will be arranged before the student is permitted to return to school.

Intervention by trained professionals may be required as a condition for the student to remain in the school. Lack of cooperation by either the student or parents/guardian in this matter will result in the student’s suspension or expulsion. If a student gives evidence of signs of chemical dependency, parents

will be contacted by the principal and an appropriate course of action will be decided upon. Parents who are aware of similar problems with a student are to inform the principal so that the student can be assisted in overcoming this dependency.

GANGS & GANG RELATED ACTIVITY

A gang is defined as any non-school sponsored group, usually secret and/or exclusive in membership, whose purpose or practices include unlawful or anti-social behavior or any action that threatens the welfare of others. Gang activity includes: recruitment, initiation, a manner of grooming, hair style and/or wearing of clothing, jewelry, head coverings, or accessories which by virtue of color, arrangement, trademark or other attribute denotes membership in a gang, displaying gang markings or slogans on school or personal property or clothing, having gang tattoos, possessing literature that indicates gang membership, fighting, assault, hazing, extortion, establishing turf, use of hand signals, gang vocabulary and nicknames, possession of beepers or cellular phones, possession of weapons or explosive materials, possession of alcohol, drugs, drug paraphernalia, attendance at functions sponsored by a gang or known gang members, fitting police profiles of gang-related drug dealing, being arrested or stopped by police with a known gang member, selling or distributing drugs from a known gang member, helping a known gang member commit a crime, or any other action directly resulting from membership or interest in a gang.

Related Policies to Gangs

In order to prevent the onset of gang related activity, the following related policies will be strictly enforced:

- Dress code and uniform policy as defined in the Family Handbook
- Discipline policies and consequences as defined in the Family Handbook
- The right of school authorities to search lockers, student desks and, upon request, personal property, if suspicion of gang involvement exists
- Policies and procedures relative to scheduling, supervision and attendance at school/parish sponsored events, held during the school day, in the evenings, or on weekends, whether held on parish property or at other public facilities
- Policies and procedures established relative to participation in and attendance at school/parish sponsored athletic functions whether held on parish property or at other public facilities
- Insistence on parent cooperation in not permitting children to host/attend unsupervised parties or activities

HARASSMENT, INTIMIDATION, OR BULLYING

All Saints School teaches belief in the sanctity of human life and the inherent dignity of the human life and the inherent dignity of the human person. We believe that all students, school employees and volunteers have a right to a safe and healthy school environment. All members of the school community, in turn, have an obligation to remote mutual respect, tolerance, and acceptance.

The principal will provide staff development training in bullying prevention and cultivate acceptance and understanding in all students and staff to build each school's capacity to maintain a safe and healthy learning environment. Teachers should discuss this policy with their students in age-appropriate ways and should assure them that they need not endure any form of bullying.

The Student *Code of Conduct* should be amended to include the provisions of this policy. This policy should appear in any student handbook, publications that set forth rules of conduct, teacher, staff, parent and volunteer handbooks, communications to parents at the beginning of the school year and in

the orientation packets to new students and their parents/guardians throughout the school year. The following statement shall be included:

Harassment, intimidation, or bullying behavior by any student/school personnel in All Saints School is strictly prohibited, and such conduct may result in disciplinary action, including suspension and/or expulsion from school. "Harassment, intimidation, or bullying," in accordance with House Bill 276, means any intentional written, verbal, graphic or physical acts including electronically transmitted acts, i.e., Internet, cell phone, personal digital assistant (PDA), or wireless hand-held device, either overt or covert, by a student or group of students toward other students/school personnel with the intent to harass, intimidate, injure, threaten, ridicule or humiliate. Such behaviors are prohibited on or immediately adjacent to school grounds, at any school-sponsored activity, on school-provided transportation or at any official school bus stop.

Harassment, intimidation, or bullying behavior by any student/school personnel that causes mental or physical harm to another student/school personnel including placing an individual in reasonable fear of physical harm and/or damaging of students'/personal property; and is sufficiently severe, persistent, or pervasive that it creates an intimidating, threatening, abusive educational environment for the other student/school personnel is strictly prohibited.

All Saints School will not tolerate behavior that infringes on the safety of any student, school employee, or volunteer. A student, school employee or volunteer shall not intimidate or harass another student, school employee or volunteer through words or actions whether in the classroom, on school property, to and from school or at school-sponsored events, or from any computer not on school property.

Definition

"Harassment, intimidation or bullying" means any intentional written, verbal, graphic, or physical act that a student or group of students, school employee or volunteer employs by their behavior:

1. Causes mental or physical harm to the other
2. Is sufficiently severe, persistent or pervasive that it creates an intimidating, threatening or abusive educational environment for the other

Such behavior includes overt intent to ridicule, humiliate or intimidate another student, school employee or volunteer.

Examples of conduct that could constitute prohibited behaviors include:

1. Physical violence and/or attacks
2. Threats, taunts and intimidation through words and/or gestures
3. Extortion, damage or stealing of money and/or possessions
4. Exclusion from the peer group or spreading rumors
5. Repetitive and hostile behavior with the intent to harm others through the use of information and communication technologies and other Web-based/online sites (also known as "cyber bullying"), such as the following:
 - ~ Posting slurs on Web sites where students congregate or on Web logs (personal online journals or diaries)
 - ~ Sending abusive or threatening instant messages
 - ~ Using camera phones to take embarrassing photographs of students and posting them online
 - ~ Using Web sites to circulate gossip and rumors to other students
 - ~ Excluding others from an online group by falsely reporting them for inappropriate language to Internet service providers

Procedure for the Alleged Victim

1. Communicate to the harasser that the individual expects the behavior to stop, if the individual is comfortable doing so. If the individual wants assistance communicating with the harasser, the individual should ask a teacher, counselor or principal to help.
2. If the harassment does not stop, or the individual does not feel comfortable confronting the harasser, the individual should:

Tell a teacher, counselor or principal and write down exactly what happened. Include the following information:

- ~ What, when and where it happened?

- ~ Exactly what was said or what the harasser did
- ~ Witnesses to the harassment
- ~ What the student said or did, either at the time or later?
- ~ How the student felt?
- ~ How the harasser responded?

Complaint Procedure

All Saints School expects students and/or staff to immediately report incidents of bullying to the principal or his designee. Staff members are expected to immediately intervene when they see a bullying incident occur. "A school employee, student, or volunteer shall be individually immune from liability in a civil action for damages arising from reporting an incident in accordance with a policy if that person reports an incident of harassment, intimidation or bullying promptly in good faith and in compliance with the procedures specified in the policy." (ODE Model Policy)

The principal upon receiving a complaint must notify parents or guardians of any student involved in a prohibited incident and must provide access to any written reports pertaining to the prohibited incident within the spirit of the Ohio Revised Code 3319.321 and the Family Educational Rights and Privacy Act of 1974 as amended.

The principal may appoint an investigator. The complainant completes an ***Anti-Harassment/Bullying Complaint Form*** (available in the School Office). Any evidence of the harassment, including but not limited to letters, tapes and pictures should be turned over to the investigator. Each complaint of bullying should be promptly investigated. The investigator, with the approval of the principal, or the principal has the authority to initiate an investigation in the absence of a written complaint.

Any witness to the event is encouraged to complete an ***Anti-Harassment/Bullying Witness Disclosure Form*** (available in the School Office). Information received during the investigation is kept confidential to the extent possible.

All Saints School prohibits retaliatory behavior against any complainant, witness or any participant in the complaint process. Any person who engages in bullying may be subject to disciplinary action up to and including expulsion.

Informal Complaints

Students, parent/guardians and school personnel may make informal complaints of conduct that they consider to be harassment, intimidation and/or bullying by verbal report to a teacher, principal, or other school personnel. Such informal complaints shall be reasonably specific as to the actions giving rise to the suspicion of harassment, intimidation and /or bullying, including person(s) involved,

number of times and places of the alleged conduct, the target of the prohibited behavior(s), and names of any potential student or staff witness. A school staff member who receives an informal complaint shall promptly document the complaint in writing, including the above information. This written report shall be forwarded to the principal for review and action.

Anonymous Complaints

Students who make informal complaints as set forth above may request that their name be maintained in confidence by the school staff member(s) and administrator(s) who receive the complaint. The anonymous complaints shall be reviewed and reasonable action taken to address the situation, to the extent such action (1) does not disclose the source of the complaint, and (2) is consistent with due process rights of the student(s) alleged to have committed acts of harassment, intimidation, and/or bullying.

False Reporting

Students are forbidden from deliberately making any false report of harassment, intimidation, or bullying as it is against our Catholic mission and code of conduct. False reporting may result in appropriate disciplinary actions, up to and including suspension and expulsion.

Investigation Procedure

It is imperative that harassment, intimidation, or bullying be identified only when the specific elements of the definition are met because the designation of such prohibited incidents carry special statutory obligations. However, misconduct by one student against another student, whether appropriately defined or not, will result in appropriate disciplinary consequences for the perpetrator. In evaluating whether conduct constitutes harassment, intimidation or bullying, special attention should be paid to the words chosen or the actions taken, whether such conduct occurred in front of others or was communicated to others, how the perpetrator interacted with the victim, and the motivation, either admitted or appropriately inferred.

The investigator will reasonably and promptly commence the investigation upon receipt of the complaint. The investigator will interview the complainant and the alleged harasser. The alleged harasser may file a written statement in response to the complaint. The investigator may also interview witnesses as deemed appropriate.

Upon completion of the investigation, the investigator will make written findings and conclusions as to each allegation of harassment and report the findings and conclusions to the principal. The investigator will provide a copy of the findings of the investigation to the principal.

Resolution of the complaint

Following receipt of the investigator's report, the principal may investigate further, if deemed necessary, and make a determination of any appropriate additional steps that may include discipline. Prior to the determination of the appropriate remedial action, the principal may, at their discretion, interview the complainant and the alleged harasser. The principal will file a written report closing the case and documenting any disciplinary action taken or any other action taken in response to the complaint. The complainant, the alleged harasser and the investigator will receive notice as to the conclusion of the investigation. The principal will maintain a log of information necessary to comply with Ohio Department of Education reporting procedures.

Points to Remember in the Investigation

- * Evidence uncovered in the investigation is confidential.
- * Complaints must be taken seriously and investigated.
- * No retaliation will be taken against individuals involved in the investigation process.
- * Retaliators will be disciplined up to and including suspension and expulsion.

Conflicts

If the investigator is a witness to the incident, an alternate investigator shall be appointed to Investigate.

LEGAL CONCERNS

All Saints School conforms to the recommended policies of the Diocese of Cleveland in regards to legal issues.

SEARCH POLICY

Searches of School Property

All property of the school, including students' desks and lockers as well as their contents, may be searched or inspected at any time without notice. School personnel have an unrestricted right to search school property, as well as any containers, book bags, purses, or articles of clothing that are left unattended on school property.

Searches of a Students' Person & Personal Property

The search of a student's person or handbag/book bag currently being carried is permissible when there is any suspicion that the student may be carrying contraband. Contraband, for purposes here, shall be defined as any weapon, illegal drug, drug paraphernalia, or other item, the possession of which is prohibited by law or by school policy.

Conducting the Search

1. School administrators must always have another school authority present when a search is conducted.
2. If a student refuses to voluntarily empty pockets, or to open his/her book bag or purse, the student should be detained until parents are contacted and arrive.
3. Parents should then be informed that the student is risking possible suspension or dismissal for refusing to comply.
4. If a weapon or other dangerous ordnance is suspected, the school should contact the local police department immediately and should not attempt to disarm the individual. See related Weapons, Youth Gangs and Drug Policies.
5. If a weapon or illegal drug is actually seized, the school authority must contact the local police department to report the incident and secure the contraband until the police arrive.

SEXUAL HARASSMENT & SEXUAL VIOLENCE

All Saints School is firmly committed to providing a safe, positive learning and working environment for everyone in the school. For this reason, and in keeping with the goals and objectives of Catholic education, All Saints School expressly prohibits sexual harassment and sexual violence in the school environment. This policy re-emphasizes the personal dignity of the individual and fosters positive

sexual attitudes and respect for others. Harassment may also take place electronically, which may subject a student to appropriate disciplinary action.

Sexual Harassment

For the purposes of this policy, sexual harassment includes the following specific instances: verbal sexual abuse; disseminating obscene or sexually explicit material, whether in the form of music, written lyrics, pornographic pictures or other literature, or having such material in one's possession in the school, on school grounds or at school-sponsored activities; obscene or sexually explicit graffiti anywhere in the school or on the school/parish grounds, continuing and unwanted written or oral communication directed to another of a sexual nature; spreading sexual rumors/innuendoes; obscene T-shirts, hats, or buttons; touching oneself sexually in front of others; obscene and/or sexually explicit gestures; and any other inappropriate behavior of a sexually explicit or obscene nature that demeans or offends the recipient. The above list is not meant to be all-inclusive, but is intended to provide guidance as to what may constitute sexual harassment.

Isolated, trivial incidents are not sufficient to constitute harassment and will be handled according to the student code of conduct. Allegations of sexual harassment (as defined above) are to be reported to the teacher and/or the principal. Parents of both the offender and the victim will be informed of the allegations. The matter is to be kept confidential by all parties involved, and every effort will be made to protect the alleged victim from retaliation.

The parents of both the offender and the victim are obligated to cooperate in remedying the situation. If the allegations are substantiated, disciplinary actions will be taken. These will depend on the nature, frequency and severity of the action, the ages of the offender and victim, the history of similar actions by this individual, and the circumstances in which the harassment occurred.

Possible disciplinary actions may include but are not limited to any or all of the following:

- Verbal warning/reprimand and apology to the victim
- A parent/student/principal conference
- Written warning/reprimand entered into the student's file, and parent notification
- Detention or removal from selected school activities and/or extracurricular activities
- Behavior/probation contracts, possibly requiring professional intervention and a risk assessment
- Suspension
- Expulsion

Sexual Violence

Sexual violence is handled separately because of its potentially criminal nature. If an incident of sexual violence occurs, the principal, pastor, or other school authority is required under state law to report the incident (O.R.C. 2151.421). The Department of Human Services and the police will be contacted immediately if there is any "reason to believe" (O.R.C. 2151.421) that sexual abuse or violence has occurred involving a child less than eighteen years of age. The Diocesan Legal Office will be contacted immediately in these situations.

Generally sexual harassment should be construed as sexual violence when: the recipient is physically touched without his/her consent in a sexual manner; is expressly threatened or perceives a threat of physical harm for purposes of the offender's sexual gratification; or is the victim of sex offenses under Ohio law, including Gross Sexual Imposition (O.R.C. 2907.05), Sexual Battery (O.R.C. 2907.03), Rape (O.R.C. 2907.02), Importuning (O.R.C. 2907.07), Voyeurism (O.R.C. 2907.08), Public Indecency (O.R.C. 2907.09), or Felonious Sexual Penetration (O.R.C. 2907.12) as examples.

In each one of the above examples, the Department of Human and Family Services and the police will be contacted immediately.

Threats

Any and all student threats to inflict any harm to self or others given verbally or in writing shall be taken seriously **immediately**. Whoever becomes aware of the threat shall report it immediately to the **principal**. The Wickliffe Police will be notified if necessary and the student shall be kept in the principal's office under supervision until the police arrive. The parent or guardian of the student shall be notified immediately. **NOTE:** If any student reports that another student has made a threat and the report is discovered to be untrue, the student making the false accusation shall be disciplined accordingly.

The following are examples of the procedures utilized when students are involved in this inappropriate behavior.

1. Any and all student threats to inflict any harm to self or others will immediately be taken seriously
2. Whoever hears the threat should report it promptly to the principal
3. Police may be notified at the discretion of the principal
4. The parent or guardian of the student who has made the threat will be notified immediately
5. Any adult or the parent/guardian of any students who have been verbally mentioned as potential victims or listed in writing as potential victims shall be notified as soon as possible
6. At the discretion of the principal, the student may be suspended and not be considered for readmission to school until an evaluation by a psychologist or mental health professional, with qualifications determined by the principal, has been completed
7. If the student is re-admitted, they may be deemed on probation

Weapons

In furtherance of the overall philosophy, goals, and objectives of the Catholic educational experience, the Diocese of Cleveland has proposed a policy that expressly prohibits the use, possession, sale, or discharge of any weapons or explosive devices in the school, on school grounds, or at school-sponsored activities. This policy shall apply to all students, participants in parish programs, teachers, administrators, and other personnel in the school or parish.

Any student apprehended on school property in possession of a firearm will be reported to the Wickliffe Police Department. Parents will be notified immediately of this action. This policy includes, but is not limited to, any firearm, knife, deadly weapon, or explosive or incendiary device or thing capable of inflicting death, and designed or specifically adapted for use as a weapon. Firearms shall include any loaded or unloaded gun of any caliber or type. This prohibition also includes any pistol, rifle or other device that uses air or gas propelled projectiles.

Violations of this policy may warrant police notification, immediate suspension, and possible expulsion. If possession of a weapon is suspected, the principal or other administrator should immediately contact the police department and the Diocesan Area Superintendent before confronting the individual. If it is determined that this policy has been violated, the parents of the offender shall be immediately contacted and must cooperate with the disciplinary process.

***Because it is impossible to foresee all problems that may arise, this clause empowers the faculty and administration to take disciplinary action for any behavior, which violates the spirit and philosophy of All Saints School of St. John Vianney even though not specified.

WELLNESS POLICY

The schools of the Diocese of Cleveland are committed to the goal that all students and staff shall possess lifelong knowledge and skills necessary to make nutritious food and enjoyable physical activity choices through effective use of school and community resources and attentiveness to student and staff needs and interests, taking into consideration differences in culture.

Hairstyles are to be simple and neat. Extreme hairstyles are not permitted for boys or girls. Hair should be its natural color and should not cover the eyes. Boys' hair should be no longer than their shirt collar and cut above their ears. No fad hairstyles are permitted. Tails, designs, lines, Mohawks, or partially shaved heads (shaved on

the sides and long in top/front) are not permitted. Boys' front bangs, even though combed aside, should not be longer than the eyebrows. Questionable styles, including color and length, will be left to the discretion of the administration. If in doubt, please call before changing hairstyles.

DRESS DOWN DAYS **Spirit Dress Down Days**

We will have Spirit Wear Dress Down Days at least once per month. Students can wear spirit wear that is sold online periodically throughout the year.

The school invites students to participate in occasional dress down days. Students' attire should always be modest and reflect Christian values. **Inappropriate clothing includes, but is not limited to:**

- ~ Shirts with inappropriate slogans or pictures, no spaghetti straps
- ~ Leggings, jeggings or yoga pants unless worn under a skirt, dress, or top that covers the backside.
- ~ Short shorts – Must be at the fingertips when hands are held down at the side. NO ROLLING.
- ~ Students should not dress down on Mass days.

Administration and faculty reserve the right to determine whether or not articles of clothing are considered inappropriate. In such cases a parent may be called to bring an appropriate change of clothes to school. A repeat offense will result in not participating in future dress down days.

CONDITION OF UNIFORM

The school uniform must always be worn in a manner that is appropriate for school. The uniform needs to be in good condition. Please replace uniform items as they become worn or the student outgrows them.

It is impossible to include every possibility of dress and appearance in this policy; therefore, the judgment of the Administration is final in all matters of dress and uniform.
